

Part-time Assistant (Fashion Design)

Tessellation Brands & Retailing Limited is seeking a detail-oriented and organized **Part-time Assistant** to provide **design supporting work** for our [PYE](#) Fashion Design team.

At **PYE** the mission is to create the perfect shirt. One that is timeless, appropriate, of the highest quality, and, most important, made with integrity.

PYE achieves this with state-of-the-art engineering, a wholly-owned vertical supply chain, and generations of knowledge and expertise. Hoping that in doing so we raise the standards of both the people who make and wear our shirts, making the world a little more stylish in the process.

This role offers an exciting, hands-on opportunity to immerse yourself in the **full seasonal cycle of fashion design and product development** within a premium brand environment. Working alongside our design team, you will gain practical, real-world experience in design support, sample management, and cross-departmental coordination—giving you a strong foundation for a career in the fashion industry.

What You'll Learn & Experience

- **Full-Cycle Design Operations:** Gain firsthand experience in how seasonal collections are planned, developed, and executed.
- **Tech Packs & Documentation:** Assist in preparing and updating spec sheets, tech packs, fitting notes, and collection overviews.
- **Sample & Library Management:** Learn to manage, track, and archive design swatches, fabric libraries, and production samples.
- **Fittings & Creative Support:** Observe and support the design team during live fittings, mood board creation, and seasonal presentations.
- **Cross-Functional Collaboration:** Learn how design teams communicate with Product Development, Merchandising, Marketing, Visual Merchandising (VM), and external suppliers.
- **Workflow & Process Efficiency:** Experience how premium fashion brands maintain organized and efficient design workflows under real-world timelines.

What We're Looking For

- **Education:** Current student in Fashion Design, Textiles, or a related discipline.
- **Skills:** Proficient in Microsoft Office (Excel, PowerPoint, Word); basic knowledge of Adobe Illustrator and Photoshop is a plus.
- **Attributes:** High attention to detail, strong organizational skills, and an eager-to-learn attitude.
- **Mindset:** Proactive, adaptable, and enthusiastic about working in a fast-paced creative environment.
- **Availability:** Able to work at least 2-3 days per week.
- **Working Location:** Wanchai / Shau Kei Wan
